

2009 Youth Membership Program

*The Sequim area abounds with ambitious young artists,
aspiring farmers and talented musicians.*

*Supporting farming and fine art opportunities for youth
is a vital component of the Open Aire Market's mission.*

In recognition of these two factors, the Open Aire Market has developed a new program for 2009: A Youth Membership Program.

Any local student between the ages of 9 - 17 may become an Open Aire Market Member at the special Youth Rate of \$5 per season. As with any membership, fine art, crafts and processed food products will need to be juried. Farm products and fresh food do not.

There is no minimum attendance for Youth Members. Youth Members will pay a daily booth rental fee of \$3 regardless of sales. Youth Members will be responsible for their own booth and setup and must be accompanied by an adult in order to participate.

Youth Members, with the assistance of an adult, will be responsible for obtaining any necessary licenses or permits required for their business.

Please contact Mark Ozias, Market Director, at 460-2668 to learn more or to become a Youth Member.
